THE ART OF
 LIBERTY FOUNDATION 

The Liberator - a 64GB uncensorable credit card-sized flash drive of
 visualizations, documentaries, short videos, in PDF, dank
 memes, and truth music from the Liberty movement's leading artists.
 Companion Media to the new book: **"Government"** and **"The Covid"** -
The Two Biggest Scams in History... Exposed! by Etienne de la Boetie

The Art of Liberty Foundation is a start up public policy organization
 exposing the illegitimacy and criminality of **"Government"** from a
 principled voluntarist perspective.

The organized crime "government" allows banks to create money-out-of-thin-air using a technique called fractional reserve banking that we explain in detail in
 "Government" and "The Covid" - The Biggest Scams in History... Exposed! The scheme is inflationary and steals the value out of everyone else's money. The bankers are,
 literally, stealing the world with their little paper tickets and digital dollars they create out-of-thin-air! Analogy #1 - Imagine you are playing monopoly and the banker is
 cheating and stealing \$500 bills from the bank when no one is looking. At the end of the game who owns everything on the board and who are renters and debtors?
 Analogy #2 - Imagine I have a dollar and you have a dollar and we both have the only two dollars in the world. I own 50% of the world's wealth and you
 own 50%. Now imagine a bank comes along and creates two additional dollars using fractional reserve banking OR a "government" creates 2 more
 dollars using quantitative easing or for "bailouts" or "stimulus". Now you and I have been reduced to 25% of the world's wealth and the bank has
 stolen 50%. The banks are providing certain cartel companies unlimited fractional reserve banking funds to monopolize and consolidate their own
 industries. At the end of the game who owns everything on the board and who are renters and debtors.
